

MidWest Missionair

December 2010

Volume 12, Issue 1

Glory to God

Piper Aztec N6324Y was purchased in 2002 from Agape Flights who had used it for aviation support to missionaries in Haiti. Soon after MidWest Missionair began offering aviation services to missionaries in Mexico and Central America where we participated in evangelism, disaster relief, medical missions, and clean water programs.

The aircraft which was built in 1966 proved very reliable and useful but was in need of refurbishing and updating and so was removed from service to undergo an extensive face lift and a complete replacement of its

avionics and instrumentation. The project, which proved to be a massive undertaking, is just about

complete and we look forward to seeing it return to His service in early 2011.

To God Be The Glory, Great things He has done!!!

Rebirth - Rename

N637MA is the aircraft's new name.

The number has its roots in the aircraft's missionary past.

Serving under the registration number **N6324Y** it carried supplies to Haiti for a many years and so "**N63**" was used as a start.

"MA" stands for Missionair.

And

Psalm 63:7

"Because you are my helper,
I sing for joy in the shadow of
your wings."

Psalm 63:7 Because you are my help,
I sing in the shadow of your wings.

Our Mission

Mission Aviation is a highly specialized endeavor which must draw on a very broad base of skills and resources.

MidWest Missionair.

Inc. is an independent Christian service organization supporting missionaries, and encouraging volunteers to get involved in short term missions and disaster relief work.

We exist to make aviation services available to any group or person working in Christ's love.

We cultivate relationships with groups that show Christ's love through:

- Christian Evangelism
- Disaster Relief
- Medical Services
- Providing clean water.
- Any other service that works to give Christ's love to those who are lost and hurting.

If you know of any such person or group requiring aviation services, please send us their contact information or have them contact us.

Needed to Finish

We are about 99% funded for the restoration project. Please help us reach 100% by filling the following needs:

1. Audio Panel
\$1500
2. Propeller Overhaul
\$3500 each (2 required)

We are also accepting donations for our operating fund which will cover the cost of fuel, insurance, airport fees, crew lodging costs while away from home etc.

How can you Help

Pray

Your prayer support is vital to us. It is your prayer support that makes the work successful.

Give

Your ongoing financial support makes it possible for Missionair to continue the work. The need is great! Please help us to expand the work with a regular monthly gift.

Volunteer

Volunteers are needed for evangelistic efforts as well as disaster relief, medical work etc. Consider taking part in one of these worthwhile efforts.

SPREAD THE WORD

Help spread the word about Missionair's work. Let us know of anyone needing the aviation services of MidWest Missionair.
